

# BRITISH ARCHAEOLOGICAL AWARDS

Celebrating the best in British archaeology

The British Archaeological Awards are managed by an independent educational charity with trustees and judges from across the archaeology community.

Our mission is to promote archaeology to practitioners, heritage audiences and the wider public by celebrating and sharing excellence, innovation and engagement in archaeological practice.

**Please help us to continue to improve the quality of the Awards by offering your feedback and suggestions below.**

1. On a scale of 1 to 5, please rate the following from poor (1) to excellent (5) by circling below:
