

Archaeological Achievement Awards

Nomination form: Early career archaeologist

This award will highlight the contribution of an early career archaeologist. This could include contributions to archaeological work or research, dissemination, or a wider contribution to workplace.

1. Name of individual nominated

2. Job title and organisation of the individual nominated, or other role for which you wish them to be considered

3. Provide a brief description of the contribution for which you think the individual should be considered for the award (maximum 50 words)

4. Please briefly outline the context in which the work has been carried out and why the individual should be considered an early career archaeologist.

(Note: For the purposes of this award, 'early career' is defined as an individual studying or undertaking entry level training, or in the first 8 years of employment as an archaeologist. This can be after a career break or career change and is not restricted by age.) **(maximum 100 words)**

5. Please demonstrate how the individual has met the following criterion (maximum 200 words)

Has made a demonstrable contribution either through a body of work over the last 2 years or through a specific piece of work. (This could include contributions to archaeological work or research, dissemination, or a wider contribution to workplace.)

6. Please demonstrate how the individual has met the following criterion (maximum 200 words)

Has developed their skills and knowledge

7. Please demonstrate how the individual has met the following criterion (maximum 200 words)

Has shown leadership, commitment and a passion for archaeology

8. Cross-cutting themes

Please tell us which of the cross-cutting themes the individual has made a contribution to:

Please describe how the project has made a contribution to these themes (maximum 500 words)

9. Please describe your connection to the individual nominated
